School Overview
学校概况

上海尚德实验学校于2003年9月建校，由上海尚德教育投资发展有限公司投资兴建，是一所包含幼儿园、小学、初中到高中，国家课程和国际融合课程双轨制贯通发展的学校。2010年4月获得国际文凭组织授权，成为IB World School。目前拥有秀沿路主校区，航头小学校区等多个校区，学校总占地面积245亩，建筑面积超15万平方米，是上海市单体最大的学校。

Shanghai Shangde Experimental School was founded in September 2003 and is funded and established by Shanghai Shangde Education Investment and Development Co., Ltd. Offering a full spectrum of education from kindergarten to high school, the school features a dual-track system that combines the Chinese national curriculum with internationally integrated programmes. In April 2010, the school was authorized by the International Baccalaureate Organization (IBO) and became an IB World School. Currently, it operates multiple campuses, including the main campus on Xiuyan Road and the Hangtou Primary School campus. The school occupies a total land area of 163,000 square meters, with a building area exceeding 150,000 square meters, making it the largest single-campus school in Shanghai.

Mission Statement

Curriculum Development
课程建设

让尚德的课程满足每一个学生的发展需要，促进学生有个性地全面发展。

To meet the needs of every student and support their holistic, individualized development.

学校以国家课程校本化实施为重点，以核心素养为导向，顺应时代发展需要，为学生提供宽广的课程选择。发挥双轨融通优势，打破学部壁垒，构建通向智能技术，通向人文艺术，通向社区社会，通向天地自然的“未来学校”课程体系。

The school focuses on localized implementation of the national curriculum, guided by core competencies and aligned with contemporary developmental needs, offering students a broad range of course options.

Leveraging the advantages of a dual-track integrated system and breaking down departmental barriers, the school has developed a “Future School” curriculum framework that connects students to intelligent technology, the humanities and arts, community and society, as well as the natural world.

国际文凭组织（IBO）成员学校
IB World School

伴随着经济全球化和教育国际化的进程，尚德实验学校积极探索培养具有国际化视野的人才的有效途径。2010年4月尚德通过了国际文凭组织（IBO）的审核，成为IB(DP)正式授权学校。在IB课程理念影响下，融合本土课程优势，开展中外融合课程探究。学校还与美国北卡盖斯顿学校，美国威斯多佛学校，英国谢贝尔学院等海外一流学校建立友好学校关系，在学分互认，师生交流互访项目上达成共识，致力于培养影响世界的中国人。

With the advancement of economic globalization and the internationalization of education, Shangde Experimental School has been actively exploring effective approaches to cultivate talents with a global perspective. In April 2010, Shangde successfully passed the International Baccalaureate Organization (IBO) evaluation and became an officially authorized IB Diploma Programme (DP) school. Influenced by the IB curriculum philosophy and integrating the advantages of local curricula, the school has developed an internationally integrated curriculum.

Shangde has established collaborative sister-school relationships with leading overseas schools, including Gaston Day School in North Carolina, Westover School in the USA, and Sherborne School in the UK. The schools have reached consensus on credit recognition and teacher-student exchange programs, committed to nurturing globally minded Chinese students who are ready to make a meaningful impact on the world.
